KIMIDA

Message:

A year is so short (just a day in time), yet so long that it is difficult to even attempt to squeeze it between the pages of a book.

This has been our purpose: to take a little of your lives this year—captured as we have done in photography, bundle it up in this book and give it to you as if we were the creators.

It is the memory of the good times and the bad, the endless dreams and fulfilled hopes, and the minds we can't see behind the faces which we cannot record in pictures.

This is yours—now and for a very long time to come.

DEDICATION

MRS. MAE CHATTERTON

There are those who teach only to satisfy themselves, those who do so to satisfy others, and those who teach with joy.

Mrs. Chatterton taught with joy. She gave of herself—not to herself.
